Discord did a sweeping ban of everybody that was part of the pro-trump discord groups, you didn't have to

In the event discord goes down we fall back to our alternate comms channel on our matrix server. Follow these steps:

▼

1. Make a new proton mail account with no personal info
2. Make an account <https://app.element.io/#/register>
3. Pick "advanced" and use the homeserver URL <https://matrix.donaldsarmy.us/>
4. Email basedmediaofficial@protonmail.com to message the mods and confirm you've moved to the new server
5. Keep Daily Backups of the Shared Files you work on. In the event we're booted, they will be needed. PM @algo with any questions.. unless discord is down then email me at basedvideo@protonmail.com
